

Subject : Extension Request: Digital Literacy - [CSE0001]

Dear Professor Kanan,

I hope this email finds you well.

I am writing to respectfully request a short extension on the upcoming Digital Literacy, which is currently due on March 31, 2026.

I have been working diligently on the assignment and have completed the presentation part, but due to a medical issue that is I had an accident on the road. I need a little more time to ensure the final submission meets both your standards and my own.

Would it be possible to submit my assignment on April 7, 2026?

I completely understand if this is not feasible given the course policies, and I appreciate your time in considering my request.

Thank you,

Mrigank Mishra
